

HURON TOWNSHIP ZONING COMMISSION
January 3, 2018

Vice-Chairman Cook called the regular meeting of the Huron Township Zoning Commission to order at 7:00 PM., on Wednesday, January 3, 2018. The meeting was held in the Township Office, 1820 Bogart Road, Huron, Ohio. Attending were Ray Vacca, Ron Cook, and Nyle Olds. Also in attendance was Building Official John Zimmerman. Mary Schlessman and Ed Taylor were absent.

In the first order of business, the minutes of the August 23, 2017, meeting were approved as printed.

The third item was the consideration of a site plan submitted by Kalahari Resort, 7000 Kalahari Drive, for children's outdoor water slides and pool. Mr. Zimmerman explained that the area is zoned C-1/PUD and the use is permitted. He said the site is bounded by the hotel wings and consists of water slides and pool for smaller children and the associated equipment building. David Sanholz, Poggemeyer Design Group, told the Commission that there is no need for additional drainage and/or lighting because of its location and the existence of the current utilities. Vice Chairman Cook then asked for a motion. Mr. Olds made a motion to approve the site plan as submitted. Mr. Vacca seconded the motion and it passed unanimously.

With no further business for the Commission, the meeting was adjourned at 7:20 PM.

Vice-Chairman Ron Cook

Secretary John A. Zimmerman
